THE LEADER IN PROFESSIONAL PROTECTION

THE SMART SECURITY SOLUTION

Protect your lives & assets with Master Lightning Security elite squad of security officers. We do more than just provide great security guards. We help companies in every industry achieve their security and loss-prevention goals by providing:

1 Employee benefits that ensure courteous and responsible officers

2 Security equipment discounts thru our partners

3 Customized security packages for each client

4 Risk and crime analysis per location

5 Latest technology in the market

6 Ongoing training to our officers

7 Consulting services

8 And much more!

Continuous safety improvements are the key to a safe environment. That's why Master Lightning Security regularly analyses risks, and constantly makes changes to security perimeters to ensure the highest possible risk determent. Our experienced officers and supervisors have helped significantly reduce crime in even the highest risk areas with the help of our ongoing training and use of the latest technologies.

Master Lightning Security ranks highest on crime prevention and customer service. We have no competitor that invests as many resources as we do in our security officers.

Our security services include but are not limited to:

• **Uniformed Security Officers**

• **Mobile Patrols**

• **Video Surveillance & Support**

• **Loss Prevention**

• **Security Consulting and Investigations**
