Employment verification services

So the interview went great, the prospect employee seems to be a good match. But, can you trust your company to him/her based on what they said? The answer is no.

Verifying the education, criminal history, and previous employment of a prospect hire is an essential step in acquiring the right talent. We can help.

Our services include:

Criminal history

Employment history verification

Drug screening

Education verification and

Motor vehicle reports

Hire?

Education

MVR

Criminal History

Corporate Investigation Services

Our experts help organizations with their critical fact finding when they need to conduct internal investigations or to examine allegations of wrongdoing. Whether or not actual misconduct is discovered, such inquiries, and their aftermath, can pose serious risks to companies and their stakeholders.

Master Lightning Security investigative services and expertise have helped clients successfully resolve investigations promptly and with minimal business disruption.
